

New York State Film & TV Industry Diverse Suppliers Directory

State of New York
Kathy Hochul, Governor

Empire State Development
Hope Knight, Commissioner of DED and President & CEO of ESD

Welcome to the NYS Film & Television Diverse Suppliers Directory.

The Directory, which includes both vendors who have previously worked with the film and television industry and those who want to work with the industry, helps film and television productions find diverse vendors throughout New York State.

As of January 1, 2023, film and television production companies participating in the NYS Film Production Tax Credit Program are required to submit diversity plans with goals for hiring a diverse workforce, including the hiring of diverse vendors. This Directory serves as a potential resource for film and television professionals to help identify and connect with these vendors as they put together their production vendor teams.

The New York State Department of Economic Development (the "Department") does not endorse or recommend any vendor listed on this website, nor does the Department make any guarantees as to the financial responsibility or quality of service of any vendor for any particular project or purpose. In no event shall the Department be liable for any loss, injury, claim, liability, or damage arising from your use of information provided on this list.

If you have questions regarding the NYS Film Production Tax Credit, filming in New York, or questions about this Directory, please reach out to the Governor's Office of Motion Picture & Television Development (<https://esd.ny.gov/industries/tv-and-film>) at 212-803-2330 or at nyfilm@esd.ny.gov
